# from the pastor

I visited my cousin's apartment which was absolutely filled with cat dander! After a severe wheezing fit, I finally had to rent a room at a local motel!

Instead of drowning in cat dander, the world today is drowning in opinions. Everyone has an opinion on everything, and whether on a blog, a newspaper, a commercial or a bumper sticker, or maybe even around the water cooler at work or the locker room at school, every body is expressing his opinion loudly! While on vacation, we even had a waiter in a restaurant hold forth for nearly an hour on "the way things should be!"

In this world drowning in opinions, how do we know that biblical Christianity isn't just another competing idea? If its ideas originated from man, then it is just an opinion and should be classed with all the others.

But it didn't originate with man. The Bible originated with God and alone presents His Opinion and proves itself to be of supernatural origin in many verifiable ways (especially prophecy that has been fulfilled exactly).

The next time you want to state your opinion, or someone else gives you hers, why not pick up your Bible and see what God has to say on the subject?

After all, His is the only opinion that really counts anyway!

Pastor Brian Tibbs

P.S. Thank you to all who expressed their appreciation during Pastor Appreciation Month. Your kind words, sentiments and tokens were all greatly appreciated. It is a privilege to be your pastor!
